

Kirkman Cold Storage

2222 Kirkman Street

Lake Charles, LA 70601

(A Division of 2222 Kirkman LLC)

Storage and Handling * Cross Docking * Drayage Services * Multi-Temp Zones * Quality Control Inspections * Delivery and Distribution

Located on I-10 right in between Houston, TX and New Orleans, LA, our facility in Lake Charles has over 40,000 sq feet of multi-temp storage space available.

Additionally, we have a network of other storage facilities within a two State area in which we have further capacity of over 100,000 sq feet of additional multi-temp indoor storage and over 3 acres of security enclosed outdoor storage for our materials/lumber wholesale supply customers.

Interstate I-10 is a major artery for freight and logistics across the Southern United States. Positioned in the middle of very large freight hubs, our cold storage facility can turn around pallets of freight quickly with our expedited logistic services or handle product for long term storage.

With over 150+ combined years of storage, transportation and logistics experience; our team is beyond equipped to handle your complete needs when it comes to shipping and warehousing.

Our daily areas of service include the following freight hubs:

- *Lake Charles, LA
- *Baton Rouge, LA
- *New Orleans, LA
- *Dallas, TX (Metroplex)
- *Houston, TX (Metroplex)

Our Expanded Services included:

- *In house freight brokerage
- *In house carrier services
- *Short/Long term Frozen, Refrigerated and Dry Storage
- *White glove/inside delivery w/ Liftgate service
- *Dedicated logistics services on daily And weekly schedules

If You Need it Stored or Shipped; We Got You!!
